28/09/2020 - DHL Express launch the Riverboat Service!

What is the new service?

- A daily service which will deliver small parcels and documents to central London;
- A combined service using electric vehicles, the Riverboat and e-cargo bikes.

The Riverboat Service:

Colnbrook >> Wandsworth Pier >> Bankside Pier >> Final delivery

What benefits will it deliver?

- The blended service will help reduce congestion in the Capital and improve air quality;
- It will provide additional capacity for DHL to deliver to customers in London;
- It is the latest addition to DHL's GoGreen programme, our group-wide environmental protection programme.
