Logistics UK – the new name for FTA

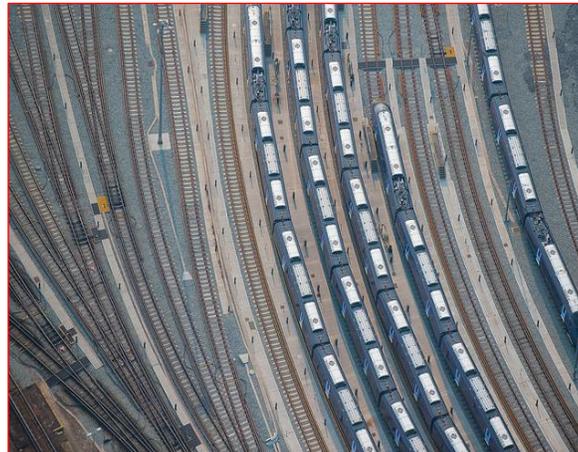

LOGISTICS UK

Our mission

Logistics UK supports, shapes and stands-up for safe and efficient logistics

Efficient logistics is vital to keep Britain trading. With Brexit, COVID-19, new technology and other disruptive forces driving change in the way goods move across borders and through the supply chain, logistics has never been more important to the UK.

A champion and challenger, Logistics UK speaks to Government with one voice on behalf of the whole sector, with members from the road, rail, sea and air industries, as well as the buyers of freight services.

Logistics UK in numbers

LOGISTICS UK

18,000 members make us the UK's largest and most trusted logistics trade association

Our members operate over half of the UK lorry fleet and more than a third of UK vans

Logistics UK members consign over 90% of rail freight and 70% of UK exports by sea and air

Our Member Advice Centre and Member Services teams handle more than 250,000 queries every year

We train over 10,000 people every year

300+ staff and associates are here to support members

**Logistics UK is one of the biggest business groups in the UK.
We are the only organisation in the UK that represents all of logistics.**

The role of logistics

The logistics industry is the lifeblood of the UK economy, employing more than 2.6 million people and contributing £130 billion to the nation's *Gross Value Add*

Logistics is essential to our everyday lives delivering food, clothing, mail, medicines and of course ensuring our waste is taken away again at the end of the day
